Fundraiser

This year we will be participating in the Original Works fundraiser. The program will give 33% of the proceeds to West Cypress Hills Elementary Art Room. This School Art Fundraising Program will feature students' artwork on shirts, calendars, mugs and much more.

During December, students will be working on original pieces of artwork. Detailed information about this program will come in January.

Projects

We began the semester listening to the book Curious George and the Firefighters by Margret and H.A. Rey's. After enjoying the story, we drew and painted our very own Curious George.

After learning how to painting Curious George, we drew a friendly scarecrow. We used tempera paint and textured crayons for this project.

Next, we used torn music note paper and tissue paper to create a Fall tree. This project took a lot of patience and hard work to complete. They turned out amazing!

To wrap up the semester, we drew a winter teddy bear. This particular project will be used in our Fundraiser, Original Works. These adorable paintings will be available for you to turn into a cup, shirt, necklace, etc. A portion of the proceeds will be given to the West Cypress Hills Art Room. This is a wonderful opportunity for our school.
